

Sharing Learning Objects in Health Care

24th March 2009

CONFERENCE ANNOUNCEMENT

Are you a lecturer, health-care trainer, resources manager or learning technologist involved in developing or using e-learning objects in health?

The CETL for Reusable Learning Objects and SONET Applied Research Centre are hosting a 1 day conference to showcase resources and discuss issues relating to discovering, sharing and embedding these into health and social care courses.

Key contributors:

- Centre for Interprofessional e-Learning
- Clinical and Communication Skills CETL
- Centre for Excellence in Interdisciplinary Mental Health
- NHS Repository
- The Learning Exchange
- INTUTE

Venue: The University of Nottingham Park Campus

Registration Fee: £25

Accommodation and Conference dinner available
